

## **What happens after allocation day if my child is offered a place at Oakwood?**

After you have accepted your child's place we will write to all parents detailing the arrangements for September 2024.

This will include details of the opportunities for parents to find out more including:

- A meeting for **parents in July**
- A visit for the **children** in the summer term
- Attend PTA events if you wish

There is good support for children to make the important transition into school, including:

- School staff will contact nurseries
- Family meetings in September at the beginning of the new term
- A short induction period over the first 1-2 weeks
