Times Table Rockstars

- Your child's login is on their login sheet
- Your child has an 'automatic' account

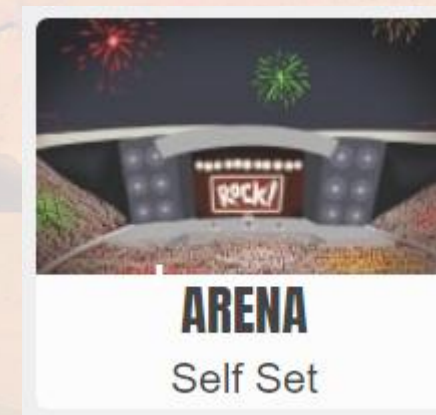

How does it work?

Learners play in the Garage or the Arena and begin with the first set of questions (1x10 up to 4x10). When they can answer at a rate of 20 per minute, the next set of questions are introduced. As learners progress, commutativity, missing number questions and division facts are brought in. So the first 3 levels, look like this:

Level 1 : 1x10 to 4x10

Level 2 : 10x1 to 10x4

Level 3 : A mix of 1 and 2

Spelling at Oakwood - No Nonsense Spelling

Spellings will be given out on a Friday, taught throughout the following week and tested on the next Monday.

Spellings will include relevant topic words, high frequency words or a particular spelling rule or pattern.

Spelling lists will be on Google Classroom

Reading

Aim: for all children to reach each day (aloud / independently)

All children still on a coloured reading band will take a school book home.

Option for free readers to take school books home too.

Trips, visits and workshops

These are enriching and enjoyable activities that really do enhance learning in the classroom. However, we recognise that they can be expensive and that not everyone may be able to afford them.

Some events are funded by the PTA. For other events, parents make a contribution on a voluntary basis. In the past, we have been able to subsidise the cost where parents have not made contributions. However, due to the tight funds of the school, even if just one person does not contribute, we may have to cancel the event.

If you find yourself unable to pay for a trip/workshop, please come and talk to us, as we may be able to support with alternative funding. We know that times are tight for some and payments can come at the wrong moments.

Trips, visits and workshops also depend on having enough volunteers. We would like to invite you to one of our termly Oakwood Parent Volunteer Briefings, so that you can come in and volunteer at any time.

Thank you!

We are very grateful for any parent volunteers.

You must have attended Mrs Thompson's safeguarding training.

Smartphone Free Childhood

Following an overwhelming response to our parent survey last term, Oakwood have made some changes to support a Smartphone Free childhood.

Reminders:

- Children are not permitted to bring Smartphones to school (children who walk to or from school alone may bring a "dumb" phone)
- Adult Smartphones must be switched off and in bags/pockets during all school events including plays, assemblies, sports days, school visits etc.

Modelling road safety and following behaviour rules

There are two zebra crossings from the footpath to the KS2 playground. Please ensure that you and your children use **both** zebra crossings – crossing towards Acorns first and then over to the KS2 playground.

Questions

I am always available for pre-arranged meetings after school on Tues, Thurs and Fri.

Quick queries can be asked on the door in the morning or at pick up.
