## - March 2026

### What you TREASURE about Oakwood

- The staff
- Friendly, warm and caring atmosphere
- Sense of community
- OPAL
- Clubs and extra-curricular opportunities
- The grounds and facilities

### What you would TWEAK or TRASH

- The state of the school and grounds (repairs/redecoration needed; muddy)

### You think should the top priorities should be

- Behaviour

### Actions taken so far:

- Roofing work being undertaken
- Quotes sought regarding fixing the outside lighting: we are awaiting responses
- Regular OPAL assemblies and reminders to children about tidying up
- Class behaviour assemblies
- Contact with the HfL Education Behaviour Adviser
- Parent and Carer Behaviour Workshops
- Large scale pupil voice regarding behaviour
- Continued "Positive Regard" behaviour training for all staff
- SLT meet every 3 weeks to review impact of work on behaviour

### Further actions that will be taken:

- There is a planned programme of redecoration following the completion of the roofing works
- The OPAL team will be exploring ways to ensure that the excellent and creative outdoor play is tidied each lunchtime to a high standard
- Class teachers will have high expectations to ensure that mud is not brought into classrooms following outdoor activities.
- We are planning a significant update to our Behaviour and Relationships Policy and will continue to keep you informed about developments

**We were so pleased to see Oakwood's value of 'Kindness' shining through in the many positive comments, which included:**

"Caring community, supportive teachers"

"Friendly and welcoming school"

"Outdoor space, we have had amazing teachers, the PTA and school community, extracurricular activities, all the staff (including non-teaching)"

"Community feel, wide use of outdoor space, lots of clubs and activities"

"Friendly and sincere and loving staff"

#### Survey information: There were 103 responses in total.

For Qs 1 – 3, we have included all responses that were shared by at least 15 respondents

Approx. 25% of respondents said they would not tweak or trash anything!

Approx. 20% of respondents did not list a top priority.

43 different "top priorities" were listed, with most of these suggested by only 1 respondent. 21 respondents listed behaviour.
